

## Ellipsis Practice 2

*The words with ellipsis are in red. Listen carefully as you follow along. With practice you will begin to hear the ellipsis.*

1. Hi **everybody**.
2. We have a lot of **business** to cover today, so we need to get started as soon as possible.
3. **Do** you **remember** what we did yesterday?
4. You **probably** took notes, so take a look at them now to refresh your memory.
5. Ok. So today we'll finish and then we'll start something **different**.

**Extra:** *Listen again and try to find other sound changes covered in class. For example, you will find function words, linking, and weakening of vowel sounds in unstressed syllables.*
