

Syllable stress practice worksheet 1

On a separate piece of paper, mark the number of syllables you hear (syllable stress practice recording 1) for each word (like this: / / /). Then circle the mark that represents the stressed syllable. After you finish, check your answers. **TIP: after you check your answers, try it again with a new piece of paper.**

Note: The stressed syllable is marked in **RED**.

1 / / (murder)

6 / / (plastic)

2 / / (respect)

7 / / / (expression)

3 / / / (wonderful)

8 / / / / (application)

4 / / (session)

9 / / / (disappear)

5 / / / / (scientific)

10 / / / (exercise)
